**Warmest Welcome to you all, and especially
our visitors!**

HAERE MAI WELCOME

Nau mai, haere mai, Warmest welcome to you all. There is a Maori proverb (whakataukii) which says: “Waiho i te toipoto, kaua i te toiroa “ Which translates to “Let us keep close together, not wide apart.” Even in these covid times of online church services let us remember each other and keep in touch. We are all one under the Son! And Praise the Lord! We are celebrating Maori language this week!

What's On This week?

Well, we can't do much yet due to Covid-19 alert level 2... **But**, how about you take time out this week to try one or two of the following ideas:

Monday Morning Ladies Prayer Meeting: On hold for now.... **But**, how about Monday morning at 10:30 am wherever you are just stop for a minute and pray a blessing for our ladies who generously pray for us. Let's remember Ailsa, Anne, Dawn, Viv and Waimarie and Shirley. God bless you ladies with strength and wisdom and kindness coming your way.

Monday Evening Bible Study: 6:30pm – 7:30

Online See our website for instructions on how to join.

Everyone is welcome to join us as we continue to study the word of God. **And**, for those of you who can't make it to the session, how about you spend 10 minutes sometime this week, reading over a passage from the book of Revelation and see what the Lord reveals to you...

Prayer Requests: This week you could write a list of the things you want God to help with, place it in an envelope and put it in between some pages of your Bible, and ask God to do something **amazing** with it. Then leave it there (in His hands) and trust He will do it. See what happens! You can also go to our website and leave a request for prayer from our prayer team.

A Scripture: “Now you, collectively, are Christ’s body and, individually, you are members of it... each with his own place and function.”
1 Corinthians 12:27

And a Thought:

My grandmother had a poster on her wall which showed a long line of kittens sitting sweetly and all getting along purrfectly – with the scripture Psalm 133:1 “How good and pleasant it is when brethren dwell together in unity”. As a young child I marveled at how well the kittens all got along for the photo as all the kittens I knew soon enough started scrapping and getting up to mischief. But as I got older and thought about each of us having a role to play in the body of Christ, I realized that those kittens could not have possibly sat quietly and got along with the others by themselves. It takes someone to intervene for that kind of good behavior to happen. It's not a natural thing. And that is what God does in His church. His Holy Spirit intervenes. He helps us see how precious each one is. He helps us value the other over ourselves. He helps us enjoy the differences and marvel at the beauty of another life. With Him – we get along. Without Him – it all ends in chaos and tufts of fur. God is good. Let's be good this week too. God bless!
