## Inspirational quote:

**"Love is the only force capable of transforming an enemy into a friend."** Martin Luther King Jr

**A Word:** " They tripped over what little they knew about Him and fell, sprawling. And they never got any further."

Mark 6:3b Message translation

## And a Thought:

This passage refers to a prophet having no honor in his own town. Jesus had just come from raising the little girl from the dead – amazing! – and now people got stuck trying to make sense out of what they heard and saw happening right in front of them. When we step out of the comfort zone and try following Jesus into the unfamiliar it may surprise you just who comes along and dismisses what you do – just because they cannot accept it is you doing it. It can even be your closest friends and family. Jesus didn't hang around too long with his friends and family from his home town. He didn't push them further than they were able to go (He's gentle like that), but it was no doubt sad for Him to have to leave them where they were. Don't let the doubters make you stay there with them. They fell down and never got any further. You have a chance to follow the Lord more closely – take it!
