#### Here's a thought:

Sometimes we think God is being very “stern” with us. We forget for a moment who it is who is speaking, and we put the harshness of memories of other people into the voice we hear. But God never forces us to do the things He asks. He never manipulates us into situations out of meanness or cruel intent. He always offers. He always waits. He always hopes and loves, no matter which way we choose. Does that mean we are free to say “No” to God? Of course! Does that mean He despises us or thinks less of us when we do? Of course NOT. His voice reassures. His voice speaks Truth. He has done everything to show us He has a plan and does not give up and He never stops loving His children. If we love Him back, we will keep His commandments as we live out His love in us every day. And His voice – it sounds like Love ... Have a good week and God bless!
