A Word: "... someone said to Him 'Lord, I will follow You wherever You go.' " Luke 9:57

Here's a thought:

This is one to really get your teeth into and give it some deep thought.... It starts with communion. Broken bread and poured out wine... We are called to follow Christ, to be like Christ, so we too should be broken bread and poured out wine... But God can't make us into wine if we object to the fingers He chooses to have crush us. We say "If God would only use His own fingers or do it in a nice way, or a "special" way, I wouldn't object". But when He uses someone we don't like or some circumstances that we said we would never submit to, to crush us, then we object. If we are ever going to be made into wine, we will have to be crushed. You cannot drink grapes! Grapes become wine only after they have been squeezed... I wonder what finger and thumb God has been using to squeeze you? And the reason for breaking the bread and pouring out the wine? So it can be shared by others. Have a good week and God bless!
