Things to try at home on Lockdown...

Try and get up early enough to catch the sunrise – enjoy the beauty, just because you can... And pause to listen to God...

See how many pairs of shoes you have?

Send an email to Pastor Neil to let him know you are still alive, and thank him for his prayers.

A mother's hands always tell a love story...

A Word: "Charm is deceptive and beauty is fleeting; but a woman who fears the Lord is to be praised. Honor her for all that her hands have done, and let her works bring her praise at the city gate." Proverbs 31: 30, 31

And a Thought:

Ever read Proverbs 31 and wondered if it is even possible to be like that woman? The kids are whining and the toast got burnt, you haven't had time to do your hair and there's the washing to do – and now we're in Lockdown you have to be the school teacher as well?! Please! What planet did THAT woman live on? But seriously, it boils down to these things:

Faith: She loves Jesus with all her heart; **Industry:** She knows how to make "amazing" out of what she has on hand; **Service:** She serves others with love and kindness; and **Time:** She spends her time on what is good. And yes, that works out to be "FIST". She grabs life with both fists and lives it generously. God bless all the women out there today – be they mothers, sisters, aunties, grans and nanas, or daughters. You are made perfect in Christ, so don't sweat the other stuff!

Mothers' Day quote:

"Nothing is ever really lost until your Mum can't find it!"
